Horse Show Point Rules

ESQHA year-end awards are based on the members acquiring the most horse-show points from approved ESQHA shows, in the year beginning January 1st thru October 31.

1. Points will be kept on horses belonging to ESQHA members only. Please make sure that the OWNER of the horse has a current membership. All owners and riders must have current AQHA memberships.
2. Memberships must be paid in full to the secretary prior to any points being kept. The postmark date will denote the date the membership is received. Farms are considered to be a “family membership,” and dues should be paid accordingly. NOTE: Youth memberships must also acquire ESQHA membership to be eligible for ESQHA year-end awards.
3. Only shows that are ESQHA approved (listed in the newsletter) will count toward year-end awards.
4. A member must receive points in at least five (5) approved shows per event before becoming eligible for an award. If any class is not offered in at least five approved shows, no award will be given.
5. All ESQHA approved shows and Special Events will count for points.
6. Halter horses standing Grand Champion at halter at AQHA approved shows will receive one (1) more point than any other horse in his/her sex division, regardless of age.
7. Halter horses standing Reserve Champion at halter at AQHA approved shows will receive one-half point more than any other horse in his/her sex division, regardless of age, except the Grand Champion for that sex division.
8. Year-end awards will be presented at the ESQHA Convention.
9. All state points received by ESQHA members from the ESQHA or ESQHVA shows will be doubled for year-end awards

- Label the disks with the date of the show
- Use one disk for each show (usually one day of showing)
