Earn money showing !

2007 Highest Payout was $248.

Here's How it Works:

1. Become a member of Empire State Quarter Horse Association
2. Fill out the nomination form and select a nomination level.
3. Only points earned at ESQHA approved shows will be counted.
4. 90% of all incentive fund monies will be paid out to participants.
5. Points earned will be paid out in proportion to the nomination level you select. (IE. Points earned by a horse nominated at the $100 level will be paid out at four times the value of points earned by a horse nominated at the $25 level)
6. Point totals will include all ESQHA Open, Amateur, Select and Novice Amateur points earned during the 2008 show season. Point totals will be limited to a maximum of 100 points per horse.
7. Nominate your horse at any time during the year, however, the earlier you nominate the better, because points only count after the horse is nominated.
8. Incentive fund earnings will be paid out to participants at the 2009 ESQHA convention.
